English Language
and Literature (AS)
Art and Design
Photography
Media Studies

Destination

Plymouth University

Position

Graphic Design and
Typography

Over the last few years I have increasingly grown a passion for capturing the work around me, be it on camera, photograph or drawing and painting. This led me to choosing my subjects here at the Guernsey Grammar School and Sixth Form Centre.

Choosing Art and Design, Photography and Media Studies was definitely one of the best choices I have ever made. I am continually finding new ways of learning how to fulfill my passion to explore the world we live in.

The staff are extremely pleasant, helpful and are always willing to help, even with personal projects.
