

# Constance Teehan

## **'A' Levels**

Economics

Business Studies

Religious Studies

Diploma in Financial  
Studies

## **Destination**

University of Lincoln

## **Course**

International Business

I am studying Business Studies, Economics and Financial Studies as they are all relevant for the International Business Course I wish to study at University, which will then help me to progress with my aim to own a chain of hotels across the world.

I thoroughly enjoy learning at the Sixth Form Centre and love coming to school. There is such a great atmosphere and all the teachers put so much effort to ensure that we get the best grades possible.
