

A portrait of Andre Le Poidevin, a young man with short brown hair, smiling. He is wearing a grey pinstriped suit jacket over a blue and white striped shirt and a dark blue tie. The background is a dense green hedge.

Andre Le Poidevin

'A' Levels

Biology
Chemistry
French

Destination

Bristol

Course

Medicine

I chose my subjects on the basis of the requirements set by the medical degree I want to complete, yet I have been lucky to enjoy all of them.

Chemistry and Biology have given me a good scientific background.

French is a useful skill and the Caen trip was a really good experience.

The Sixth Form Centre is a great place to study and it makes a transition from school to university easy as the careers team is very supportive.
